CC Docket No. 02-6
Request for Waiver:

Charlie Hobbs
Union Co/College CRNR Joint SD
BEN: 130601
Form 471 Application number: 572152

Text being Requested for Waiver:

We're sending this letter to thank you for your recent Form 471 application. Your Form 471 application was postmarked on 03/30/2007, which is AFTER the 2007-2008 filing window closed at 11:59 p.m. EST on Thursday, February 8, 2007.

Program rules require us to hold your application pending final review of those applications that were filed within the filing window.

Waiver Request:

The Union Co/College CRNR Joint SD chose to use 'Online Filing' to file Funding Year 2007 forms. Unfortunately they filed their 470 forms too late to meet the 28 day rule before filing their 471 forms. Obviously they were rejected. This is understandable.

However, their long distance services are and were eligible under state approved Form 470 #246910000576064 which has a date of February 8, 2006 as an eligible date for signing a contract.

Because Union Co/College CRNR Joint SD was not prompted by the online software to continue filing additional Funding Requests, as a first-time online filer, they assumed the rejection notice prohibited them from initiating any further online filing of Funding Requests for Funding Year 2007.

Please consider waving the 2007-2008 filing window closing 11:59 p.m. EST on Thursday February 8, 2007 for the purpose of removing Form 471 Application Number 572152 from the pending final review pool, transferring Form 471 Application Number 572152 to the Funding Year 2007 active (final review) request for funding pool.
